# Workshop on Innovative Funding for Clean Diesel Initiatives

Radisson Plaza-Warwick Hotel, Philadelphia, PA

April 23-24<sup>th</sup>, 2007

The Northeast Diesel Collaborative (NEDC), the Mid-Atlantic Diesel Collaborative (MDC), and EPA's National Clean Diesel Campaign are pleased to announce this workshop on funding clean diesel initiatives. The workshop will cover:

- Funding opportunities supporting public and private efforts to implement clean diesel strategies and fuel savings;
- Innovative funding strategies;
- Federal highway funding; and
- Instruction on how to prepare grant applications and project proposals.

Information regarding registration and hotel information is now available on the Mid-Atlantic Regional Air Management Association (MARAMA) website at: [www.marama.org/calendar/events/2007\\_04DieselFund.html](http://www.marama.org/calendar/events/2007_04DieselFund.html).
