Part 2: Project Description

Provide a detailed narrative describing the actions taken by the nominated project and/or nominated individual(s) to advance clean diesel activities within the NEDC region. To be considered for an award, the emissions benefits must have occurred since July 2013. The narrative should be a **maximum of 2 pages** and include the following:

- Describe project location, timeline and costs
- Describe actions taken to reduce diesel emissions
- Describe business benefits and/or leverage associated with the project
- Describe how the project serves as a model for others to follow
- Describe how actions can be continued and sustained
- If applicable, list project partners and describe the partnership or collaborative effort
- If applicable, include quantified emission reductions (e.g., PM, HC, NO_x, CO, fuel conserved)
- If applicable, include a qualitative description of the approach to outreach and collaboration

Part 3: Additional Information (optional)

You may include any relevant information, pictures or graphics associated with the nominated project. Note: If the nominee is involved in an active environmental enforcement action (federal or state), this must be disclosed.
